- P -

DETAILS:

On March 10, 1970, subject was interviewed at his residence 1220 Eighth Street, Rockford, in conjunction with [redacted] Special Agent, Intelligence Unit, Internal Revenue Service Rockford, Illinois.

I. BACKGROUNDRelatives

Subject advised he had one son who was killed in an automobile accident in 1952, and has one son [redacted] [redacted] who resides in Rockford, Illinois, at [redacted]

b6
b7CResidence

PRIOLA advised that he has bought his son [redacted] former residence at 4721 Mohawk Street, Rockford, Illinois. He said he paid [redacted] the equity which [redacted] had in the house and is taking over the title from him. He said his

present home at 1220 Eighth Street, Rockford, Illinois, is for sale.

Employment

PRIOLA advised that he is "sort of retired", but is looking for work. He said he had been actively engaged in the operation Mobile Glass Company, but had sold out his interest in that business recently to his partner in the business, [redacted]

He said the Towne and Country Motel, South 11th Street Road. is a corporation in which he is the president and [redacted] and himself are the sole stockholders. He said the books of the corporation are maintained by [redacted] who does public accounting on a part-time basis, but who is an employee of the Chrysler Corporation, Belvidere, Illinois.

b6
b7C

PRIOLA said annual reports of the corporation are submitted to the Secretary of State. He said he does not know the registered agent of the corporation, but would assume that he is.

He said they have never "made any money" on the motel. He said they recently had to put in \$8,000 in new plumbing.

He said the motel is run by an employee and that neither nor the [redacted] are active in the actual operation of the motel.

PRIOLA was asked about his association with one [redacted] who currently operates a pizza restaurant at Oregon, Illinois.

b6
b7C

PRIOLA said that several years ago he accidentally met [redacted] at the Twin Spot Tavern, 218 East State Street, Rockford, Illinois. He said [redacted] did not speak English well and for that reason he engaged him in conversation in Italian.

[redacted] indicated that he was looking for a pizzeria and since PRIOLA was interested in investing in some business [redacted] seemed to have some experience in this area, and they decided to enter into business together. They rented the store at 212 East State Street, and converted it into Alfano's Pizzeria.

[redacted] was not too active in the business because he was busy operating a pizzeria at Belvidere, Illinois. [redacted] father, [redacted] ran the restaurant and PRIOLA assisted him. Because the elder [redacted] was dirty and lazy, PRIOLA was doing all the work and the place was not making any money. PRIOLA told [redacted] that he wanted to be bought out and they agreed to pay him for his share little by little.

b6
b7C

PRIOLA said when [redacted] ^{50.40} bought out the pizzeria after about one year PRIOLA handled the transaction in an effort to "cut my loss". He said he wound up losing only "a couple of hundred".

[redacted] He said the place was purchased by one [redacted] [redacted] He said this individual still operates the restaurant. He said he knows nothing of [redacted] background except that he is an associate of [redacted] [redacted] They arranged the sale and the [redacted] Family are unknown to PRIOLA.

On January 28, 1970, Sergeant [redacted] Intelligence Unit, Rockford, Illinois, Police Department, advised that he had observed PRIOLA on a number of occasions at the Flamingo Restaurant, 314 East State Street, Rockford, engaged in conversation with the owner (First Name Unknown) [redacted] He said he assumes b6
b7C
PRIOLA has some ownership interest in the Flamingo because on these occasions he would neither eat or drink, but merely engaged in conversation.

It was pointed out to Sergeant [redacted] that PRIOLA's wife is a [redacted] and [redacted] stated that if this is the case the possibility exists that they were discussing family rather financial business..

On February 3, 1970, the records of the Credit Bureau of Rockford, Incorporated, were made available by [redacted] Supervisor, made available records which reflect that PHILIP PRIOLA [redacted] and [redacted] [redacted], 4422 11th Street, Rockford, Illinois (address of the Towne and Country Motel), had on September 15, 1967, obtained a loan from the City National Bank and Trust Company of Rockford, in the amount of \$2,257 plus \$141.40 interest due September 15, 1968.

b6
b7C

Miscellaneous: At Booneville, Missouri

Attempts to contact [redacted] at [redacted] Spring Street, on February 19, 1970, and February 27, 1970, were unsuccessful.

On February 27, 1970, Mr. [redacted] Thacher Funeral Home, Booneville, Missouri advised Special Agent [redacted] that the [redacted] still maintain their home in Booneville, but they are only in frequently there and can be contacted at their other residence [redacted] Blue Island, Illinois, telephone number [redacted]

On April 3, 1970, at Page 4, "The Commercial Reporter", reflected under instruments of record that a warranty deed had been transferred from [redacted] to PHILIP J. PRIOLA on March 31, 1970, for part of lots 56, 57-H.C.V.E. number 6.

On February 3, 1970, Credit Bureau of Records furnished by [redacted] reflected that [redacted] and his wife [redacted] had been residing since January, 1970, at [redacted], Rockford, Illinois. [redacted] It has been previously reported that one [redacted] male Negro, allegedly had a "contract" to murder **PHILIP PRIOLA** for a fee of ten thousand dollars.

On March 3, 1971, [redacted] was interviewed in Bureau car and furnished his address as [redacted] Rockford, Illinois.

[redacted] acknowledged that he resided for a period of time at the Towne and Country Motel, Souther 11th Street Road, Rockford, Illinois, for a period of several weeks, during the summer of 1970. He said that the only peculiar happening that he can recall while he was a resident there was a contact made by two white males, who were residing there at the same time, who propositioned him about handling narcotics for them.

b6
b7C

He could not recall names or description of these individuals.

He was advised that information had been received that he had stated while at a resident at the Towne and Country, that he had a ten thousand dollar contract to hit the owner **PHIL PRIOLA**.

[redacted] stated that this was not true, but that for ten thousand dollars he would certainly be happy to committ such a murder.

He said that he did not like the idea of this information being in circulation, because with PRIOLA's good connections [redacted] feared that PRIOLA might have him murdered in order to eliminate the possibility.

[redacted] was questioned about the "connections" that he referred to, but declined to elaborate on them.

He stated that he had never met PRIOLA and only knew him by reputation as a "old time hoodlum."

Mr. [redacted] has a copy of that application in his file also but would not allow it to be photostated and said that he did not have access to the blank forms that could have been used to fill in the appropriate information. However, the following copious notes were taken from this application:

The informant advised [redacted] had been acquainted

The informant did not know the extent of their acquaintance or

He "got the word" and was subsequently scared out of town. The
informant surmised that the Chicago outfit made him leave

The informant said evidently [redacted] had no good contacts

appeared to the informant that MANIACI mentioned that he had

After CANELLA's death, the informant decided on his own to contact PRIOLA. During June, 1971, VINCENT MANIACHI, a Milwaukee tavern owner, was telephonically contacted by [REDACTED] [REDACTED] Branch Manager, Servonation, Incorporated, 2014 Oxford Street, Rockford, Illinois.

[REDACTED] a coin machine operator and long-time associate of MANIACHI, advised MANIACHI that the Chicago "outfit" had chased him out of Chicago about two months earlier and he was no longer permitted to operate his business there. [REDACTED] requested MANIACHI to attempt to arrange a contact with the Rockford, Illinois, outfit in an effort to get some assurance that he would be able to operate his coin machine business in Rockford without interference.

On June 12, 1971, [REDACTED] contacted Rockford LCN member PHIL PRIOLA regarding [REDACTED] and told him of [REDACTED]'s request. PRIOLA's immediate reaction was to ask if [REDACTED] might be an "FBI plant". PRIOLA indicated that he would contact [REDACTED] to determine what his problem was.

During informant's contact with PRIOLA, PRIOLA indicated amazement that the FBI was familiar with everyone in the Rockford family and able to subpoena exactly the people that they knew to be in the family before the Grand Jury hearings in Freeport, Illinois, about one year ago. PRIOLA, wondering how the FBI have been able to identify the members of the Rockford family, indicated that he thought JOE ZITO had been too friendly with some members of the Rockford Sheriff's Department who had furnished this information to the federal authorities.

Title: PHILIP RIOLA

Character: ANTI - BACKSTABBER

Synopsis: Subject employed by Department of Conservation, State of Illinois, through political recommendation of individual believed to be [redacted] Circuit Court Clerk, Winnebago County, Rockford. Details of application set forth.

- P -

DETAILS:

The following investigation was conducted at Springfield, Illinois, by SA [redacted] on July 1, and July 6, 1971.

[redacted], Chief Personnel Officer, Department of Conservation, State Office Building, furnished a personnel employment application containing the information appearing on RIOLA's application. It is noted that RIOLA's application was not signed. [redacted] indicated that the application might have been filled out by someone other than RIOLA because the actual decision to hire was made from another application which is political in nature and must be signed or approved by the County Chairman, Ward Committee, or Township Committee from the political district in which the applicant is located.

C 92-170.

Mr. [redacted] has a copy of that application in his file, but would not allow it to be copied. He permitted notes to be taken from this application and it contained the following information:

PHILIP JESSE PALOMA, a. a. 3, sex male, resided at 1220 Lincoln Street, Rockford, Illinois 61103, telephone number 944-3374, made application for employment as a maintenance worker. He furnished his date of birth as April 11, 1907, at Chicago, Illinois, and is described as 5'10", 200 lbs., brown hair, married, Social Security Account Number 355-13-2475. The question "Were you ever convicted of a crime or serious misdemeanor (excluding traffic violations)" was marked in the "no" box by PALOMA.

b6
b7C

The application reflects his education as twelfth grade and his profession or trade as "businessman" with his most recent position as president of Mobile Glass Service.

The application is signed by PALOMA and così and by what appeared to be [redacted] as County Chairman, Ward Committeeman, or Township Committeeman. SA [redacted] noted that the spelling was unsure because of the difficulty in reading the signature.

It should be noted that [redacted] is the Circuit Clerk for the Winnebago County, Court and is a Republican Ward Committeeman. It should be noted that there is no [redacted] as the County Chairman, Ward Committeeman, or Township Committeeman in Winnebago County.

Any subpoena regarding the aforementioned information should be directed to Mr. [redacted] Director, Department of Conservation, State of Illinois.

HIGHLIGHTS Management of this business, which dates back to 1947 and subsequently acquired in 1966 by Servomation Corporation of New York City and consistently declined the issuance of detailed operating and financial statements on the business. However, currently management states operations have fluctuated with volume of \$5,300,000 reported for fiscal 1969 and for fiscal 1970 \$3,500,000. Operations have been conducted along profitable lines. However, the lack of an individual financial statement of the subsidiary prevents an accurate analysis of the credit risk.

CURRENT On Apr 15 1971 [REDACTED], Treasurer, confirmed the officers, operations, and other general details. Treasurer, [REDACTED] stated an individual financial statement is not made available on this subsidiary. During the course of the interview he stated that operations are currently down somewhat over similar period of the preceding year with annual volume currently at \$3,500,000 with operations profitable.

Purpose of Report: To establish the criminal record of PHILIP JOSEPH PRIOLA, an employee of the Illinois Department of Conservation.

Narrative:

Reference is made to Superintendent Grieb's memo of August 26, 1971 relative to PHILIP PRIOLA, a known organized crime figure in Rockford, Illinois and a State of Illinois, Department of Conservation, employee. Item 3 indicated that an investigation should be conducted in order to determine if PRIOLA falsified his employment application relative to criminal convictions, and any other material representation.

Reference is further made to Agent [redacted] s report dated September 21, 1971, which had attached, one copy of a Department of Personnel employment application and one non-civil service employment application both in the name of PHILIP PRIOLA. An examination of the Department of Personnel application, Exhibit "A", disclosed that PRIOLA responded negatively to the question "Have you ever been arrested for" other than a minor traffic violation?" This application, b6 b7C

On September 22, 1971 at Chicago and Rockford, Ill. File # OC(20)71-140,

however was not signed by PRIOLA. PRIOLA indicated on the non-civil service employment application, Exhibit "B", "no" in response to the question "Were you ever convicted of a crime or serious misdemeanor (excluding traffic violations)." This application was signed by PRIOLA and dated April 29, no year indicated. The other application was not dated. PRIOLA applied for the position of "Maintenance Laborer", and was assigned to work at the Rock Cut State Park near Loves Park, Illinois.

The Department of Personnel application was not completed, and the non-civil service application had limited information thereon. Other than personal information, the application indicated PRIOLA is a "business man" and is presently "President" of the "Mobile Glass Service", no location indicated. Two individuals apparently recommended PRIOLA for his position as indicated in the employment records, Anthony Colleti and Jasper Giaccone. PRIOLA was not fingerprinted as part of his employment process with the State of Illinois, and started work on May 1, 1950.

The records of the Illinois Bureau of Identification, Joliet, Illinois were checked by me on September 22, 1971 relative to PHILIP PRIOLA. This check disclosed a central indices card in the name of PHILIP PALMERO aka PHILIP PRIOLA, PHIL PALMERO, PHILIP PRIOLA, PHILLIP PALMERO, PHIL PRIOLA, PHILIP PALMERO, and made reference to file ISB # 77643.

This file disclosed a criminal history sheet, ISB # 77643, Exhibit "C", with only one entry, which indicated that one Philip Palmero was arrested on July 11, 1934 for kidnapping and extortion by the Rockford Police Department. The record showed that Palmero was held for the government. No other charges or dispositions were listed. Reference is again made to Superintendent Griebe's memo dated August 26, 1971. The original information received, which prompted this Bureau's inquiry, indicated that PRIOLA had some type of conviction.

I then examined the Rockford Police Department fingerprint card on file, Exhibit "D", in the name of Phil Palmero. This disclosed an alias of Philip Priolo. The number assigned to the card is 770, which is the Rockford Police Department identification number. The fingerprint classification was shown as follows: '029 IIM 11 over I20 OII. The card further indicated that Palmero was a white male, 27 years old (on 7-11-34), 5'8 1/4", 218, black hair balding, stout build, chestnut eyes, and medium dark complexion. No address, date of birth, or social security number was entered thereon. I ordered a detailed copy of the criminal history sheet and a photograph of the fingerprint card. The criminal record will be attached to and also referred to as Exhibit "C" when received.

A check was made on the same day with the Inquiry Section, and the Identification Section, Chicago Police Department, which disclosed a Criminal History Sheet, Exhibit "E", in the name of PHILLIP PRIOLA.

October 12, 1971

aka Phillip Palmero. The identification numbers relating to this criminal record C-60539, D-57398. A copy of PRIOLA'S fingerprint card, Exhibit "F", was obtained which disclosed that they were classified as follows: 29 II M/O 11 over 20 0 II. This classification was practically identical to the one on file at the Illinois Bureau of Identification. A positive identification will be made when the copy for comparison, Exhibit "D", is received from the Illinois Bureau of Identification. The arrest on July 11, 1934 for kidnapping and extortion which appeared in the State record, also was listed on the Chicago Police Department criminal history sheet. Tentatively, Phillip Palmero and Phillip Priola are one in the same, based on the above information.

The Chicago Police Department record indicated that PRIOLA has been convicted of Illegal possession of liquor and Violation of the U.S. Revenue Act in 1934. He served six months in Federal custody and was fined \$15,000 on the latter charge. Other arrests which did not indicate convictions were for vagrancy and carrying a concealed weapon. For full details see Exhibit "E". PRIOLA'S address at the time he was arrested in Chicago, was listed as 4015 N. Long Avenue. He used the alias of Philip Palmero at the time of those arrests.

I then checked the Intelligence Division files of the Chicago Police Department, which disclosed that during an investigation conducted by members of that unit in 1964 pertaining to Yamo Bakery, Bloomingdale, Illinois, File 39-15 233, they had an occasion to interview an informant regarding the Rockford, Illinois area.

During the interview, which specifically regarded an organized crime figure, Frank Buscemi Sr., 4615 Sequoria Circle, Rockford, Illinois, owner of the State Line Vending Company, a Rockford business; the inner, and outer circles of the Rockford organized crime element were discussed.

The "boss" of the organized criminal element was reported to be Joseph Zammuto, and the remaining members of the inner circle were named as follows: Joseph Zito, Phil Caltegerone, and Larry Buttice. Members of the outer circle were listed as follows:

PHIL PRIOLA, Sebastian "Knobby" Gulotta, Charles Vince, and Joseph "Gramps" Marinelli.

The report indicated that all of the above persons frequent the Aragona Club, 320 Kent Street, Rockford, Illinois, which was at that time to be managed by Buscemi, who in 1960 was sent out from Chicago to handle the club activities. Buscemi was reported to have been born in Aragona, Italy. His son [redacted] is also employed by State Line.

b6
b7C

A check was made by me on September 24, 1971 of the Record Section, Rockford Police Department. A check of the files relative

October 12, 1971

to PHILIP PRIOLA disclosed an FBI Criminal History Sheet, FBI # 502267, Exhibit "G". The record disclosed the aforementioned arrests obtained from the Chicago Police Department, and in addition to the convictions in 1934, he was also arrested in 1942 for an Internal Revenue violation. On that arrest he used the name of PHILIP PRIOLA. The U.S. Marshal in Chicago executed the arrest, and upon conviction PRIOLA was sentenced to three years probation.

The FBI Record further indicated that he had been arrested in 1931 by the Sheriff's Office, Fort Dodge, Iowa on a violation of the National Prohibition Act. The only disposition listed was "served time." In 1935 PRIOLA was also wanted for carrying a concealed weapon, and a fugitive stop was carried by the FBI. This stop was placed by the Fort Dodge Police Department, and the only disposition listed was "released on bond." For full details refer to Exhibit "G".

The Records Bureau files also disclosed a Traffic Accident Report, Exhibit "H", indicating that a PHILIP PRIOLA of 1220 8th Street, Rockford, Illinois was involved in an accident on August 20, 1969. The address is the same as the address on PRIOLA'S State of Illinois employment application. The report indicated that PRIOLA was at the time driving a 1969 two door Chevrolet, black over red, bearing Illinois 1969 plates 767-749. The plates are registered to Bachrodt Chevrolet, 2000 Christina, Rockford, Illinois. PRIOLA'S telephone number was listed as 964-9574, his date of birth as April 11, 1907, and his driver's license number as Illinois P640-6700-7104. The birth date listed on this report was the same as what PRIOLA listed on his employment application.

Subsequent to the acquisition of the above information I interviewed Sergeant [redacted] in the presence of Detective [redacted] both of whom are assigned to the Intelligence Division. Sergeant [redacted] supplied me with the following intelligence information regarding PRIOLA:

PRIOLA subsequent to his employment at the Rock Cut State Park was commissioned as a Conservation officer (Ranger), complete with a uniform, badge and gun. PRIOLA had been observed by members of the Rockford Police Department working in that capacity. PRIOLA was interviewed prior to his State employment upon receipt of a complaint from PRIOLA'S son, [redacted]

b6
b7C

[redacted] regarding a threat to his, PRIOLA, Sr's., life. PRIOLA boasted at the time that he was going to be hired by the State as a law enforcement officer. When this boast materialized, it angered many bonafide Rockford area police officers,

October 12, 1971

because PRIOLA'S criminal history, and position in the Rockford organized crime organization, is well known. PRIOLA was employed by [redacted] a Ranger at Rock Cut State Park, and sponsored by [redacted] Clerk of the Winnebago County Circuit Court.

b6
b7C

PRIOLA originally went to Rockford prior to the 1940's, from Chicago. In the Rockford area PRIOLA was known as a mean, vicious, and uncontrollable member of the organized criminal element. So uncontrollable was PRIOLA, that the Rockford "Don" Anthony Musso, now deceased, literally threw PRIOLA out of town around 1946. Subsequent to Musso's death, PRIOLA returned to Rockford in the mid fifties. Prior to leaving Rockford, and dating back to 1934, PRIOLA lived at 429 - 16th Avenue, Rockford.

During his stay in Chicago, PRIOLA owned a tavern called Town Hall. He operated the tavern from about February, 1946 to February 1947. He lived at two different addresses while in Chicago; 4015 N. Long and 605 N. Monticello.

PRIOLA returned to Rockford to replace Musso, because he was in ways like Musso, mean and vicious. Subsequent to his return, PRIOLA was employed as a salesman for Lou Bachrodt Chevrolet. PRIOLA in 1962 in partnership with [redacted] and [redacted] purchased the Town and Country Motel, Inc., 4422 11th Street, Rockford, Illinois, the latter two reportedly also work for the State of Illinois Highway Department. PRIOLA and both [redacted] each put \$10,000 down on the property, and obtained a \$52,000 mortgage from the Home Savings and Loan, Rockford. PRIOLA took out a second mortgage on his residence (1220 - 8th Street) for \$4,000 in order to make up his share of \$10,000. In 1969 the officers of the corporation were listed as follows: PHILIP J. PRIOLA, President and Director, [redacted] Director, [redacted]

b6
b7C

[redacted] Treasurer, and [redacted] Registered Agent. The address listed for the corporation was Suite 703, -425 E. State Street, Rockford, Illinois, which is the City of Rockford Legal Department located in the Rockford City Hall.

October 12, 1971

PRIOLA has some affiliation with Frank Balestrieri, the latter being a well known organized crime figure in the Milwaukee, Wisconsin area. What gives evidence to this is the fact that PRIOLA was observed at a celebration for Balestrieri's son, who was going into his law practice. This party was given on September 5, 1965.

The Mobile Glass Service, 924 Cunningham Street, Rockford, was sold in 1969 to his partner [redacted]

Joseph Zito is the brother of the organized crime "boss" in Springfield, Illinois Frank Zito. Presently the former is under Federal indictment resulting from ownership of the Grant Park Tavern, Inc., Rockford, Illinois. Also named in the same indictment were [redacted] and [redacted], aka [redacted] PRIOLA banks at the Park State Bank, Loves Park, Illinois, where he once received a loan to have his residence aluminum sided. No record of birth is on file relative to PRIOLA in Rockford.

b6
b7C

Subsequent to the interview, Sergeant [redacted], Detective [redacted] and I proceeded to Rock Cut State Park, arriving there at approximately 10:45 A.M. We checked the entire area for PRIOLA with negative results. We did learn later that PRIOLA works from 2:00 P.M. to 10:00 P.M. This check was made in an effort to photograph PRIOLA in uniform.

We also checked PRIOLA'S residence at approximately 12:10 P.M. but did not see him. We did observe a late model Cadillac, black over blue parked in his garage. This was a four door sedan bearing Illinois 1971 plates PP 1219, which are registered to PHIL PRIOLA, 1220 - 8th Street, Rockford, DLN P640-6700-7104.

Sergeant [redacted] advised that he would attempt to obtain a photograph in uniform. He also stated that he would obtain statements from witnesses who observed PRIOLA in uniform with a weapon.

b6
b7C

Prior to leaving, Detective [redacted] in my presence examined the photograph of PRIOLA, Exhibit "I", on file in the Rockford Police Department, File # 770 under the name of Palmero. He advised that he knows PRIOLA on sight well, and that the photograph was PHILIP PRIOLA, the subject of this investigation, who resides at 1220 - 8th Street, Rockford, Illinois

Special Agent [redacted] on September 24, 1971 checked the Bureau of Vital Statistics of Cook County for a birth certificate in the name of PHILIP PRIOLA. No record of birth was located in PRIOLA'S name.

October 12, 1971

Due to the fact that no record of birth could be located for PRIOLA, on September 27, 1971 and September 29, 1971 the records of the Immigration Naturalization Service, U.S. Department of Justice, were checked and I conferred with Mr. [redacted] Supervisor.

The I.N.S. files disclosed that Priola is a United States Citizen. This was verified by examination of the baptismal records of the St. Philip Benizi Catholic Chruch, which are presently on file at the St. Dominic's Catholic Church, 357 W. Locust, Chicago, Illinois. The records are maintained at the latter church due to the fact that the former church has been torn down. The baptismal record in PRIOLA'S name is listed on Page 157, Volume 1, 1907, dated June 16, 1907. This record listed PRIOLA'S parents as Joseph Priola, Mary Priola nee Ventimiglia. The sponsors were given as [redacted] and [redacted]

b6
b7C

The I.N.S. records disclosed that Peter Priola is a brother of PRIOLA, that in August 1966 PRIOLA'S father was living with Peter Priola at Trailer E-14, 5590 River Road, Rosemont, Illinois. PRIOLA'S mother has been deceased since 1952. PRIOLA'S other brothers and sisters were listed by first names only as follows: Thomas, Peter, Carmella, Joseph, Mary and Anthony.

Exhibit "D", a photographic copy of the fingerprint card was received from the State Bureau of Identification on September 28, 1971. Officer [redacted], Identification Section, Chicago Police Department compared the fingerprints which were in the name of Philip Palmero aka Philip Priolo with the fingerprints of Phil Palmero that were in the Chicago Police Department files, Exhibit "F" (copy). Officer [redacted] advised that the comparison was positive.

b6
b7C

Based on this fingerprint comparison it was established that ISB # 77643, Exhibit "C", FBI # 502 267, Exhibit "G", CPD # D-57398, Exhibit "E", pertain to one in the same person. Further, due to the fact that the Rockford Police Department Arrest Record # 770, for kidnapping and extortion is indicated in all three of the above records, that the above photograph identification substantiates Philip Palmero is PHILIP PRIOLA, this confirms the aforementioned criminal records pertain to the PHILIP PRIOLA who is employed by the State of Illinois, Department of Conservation. Fingerprints, which were not obtained, as is a requirement of most State employees, will be obtained if possible to be used as further identification.

One arrest listed on the previously mentioned criminal records indicated that on January 29, 1943, PRIOLA was placed on three years probation for an Internal Revenue Violation. A check was made of the Alcohol, Tobacco, Firearms Unit, U.S. Treasury Department, Chicago, Illinois on September 30, 1971. Special Investigator [redacted] advised that PRIOLA was arrested on February 20, 1942, for violation of Section 2811, Title 26 U.S.C.A., and Treasury Department Regulation Number 17. This pertains to the felonious

October 12, 1971

disposal of a large amount of a substance used in the manufacture of distilled spirits requiring payment of tax. In PRIOLA'S case it was 30,845 pounds of yeast. The AFT Case number pertaining to this case is N-3057.

PRIOLA at that time was doing business as the Illinois Fresh Made Yeast Company, and gave an address as 1701 Sheffield Avenue, Chicago, Illinois.

Certified and regular copies of the U.S. District Court, Northern District of Illinois, Cause Number 33235, Exhibit "J", were obtained. These records verify that PRIOLA has been previously convicted of a felony, and further confirms that he has never received a Presidential pardon. If PRIOLA, in fact owns a firearm, then he is in violation of Section 1202A. Sub-paragraph 1, Title 7, U.S.C.A., Gun Control Act of 1968, Unlawful Possession or Receipt of Firearms.

A check was made of the U.S. Postal Inspector's records on October 1, 1971, relative to PRIOLA'S arrest on July 7, 1934 for kidnapping and extortion. He was subsequently turned over to the U.S. Marshal, Chicago, Illinois to be held for the Postal Authorities. Mr. Carl Cardott, Section Chief, Fraud Section advised that the records dating back to that time had been purged.

A check was then made with the U.S. Marshal's Office, Chicago, Illinois on the same day. This disclosed that Phil Palmero, age 37 was received on July 7, 1934 on a postal violation. The record indicated that Commissioner White continued the case, File # 12557 to July 20, 1934, and set bond at \$15,000. The records also disclosed that there was a Mittimus executed to LaSalle - Cook Counties, that a State warrant was attached, and indicated he was released on July 27, 1934, bond \$5,000. No other disposition was shown.

A check was then made of the U.S. District Court, Northern District of Illinois relative to this case. There was no record there, however, a further search disclosed that the U.S. Commissioner file pertaining to this case was destroyed on July 28, 1964, by order of the Chief Deputy, District Court Clerk. File Number 65DL04 pertained to the destruction of the record.

Through the Springfield IBI office on October 1, 1971, as per S/A [redacted] Acting Division Head, it was confirmed that PRIOLA is carried on the Department of Conservation payroll as a "Maintenance Laborer." His salary is \$462 a month, and he is not in a law enforcement capacity.

Sergeant [redacted] Rockford Police Department was contacted by me on the same day by telephone. I requested his assistance relative to the acquisition of statements from police officers who have previously observed PRIOLA in uniform, and carrying a gun. He concurred, and advised that PRIOLA'S working hours were from 2:00 P.M. to 10:00

P.M.

S/A [redacted] and I arrived in Rockford, Illinois on October 6, 1971 in an effort to obtain photographs of PRIOLA carrying a weapon. We checked his residence at approximately 1:30 P.M., and noted that his Cadillac was not there. A 1971 black over tan two door hardtop Chevrolet was parked up in the drive of PRIOLA'S residence (1220 - 8th Street), however, not close enough for the acquisition of a license number at that time.

b6
b7C

From 3:00 P.M. to 3:20 P.M. we checked the Rock Cut State Park for PRIOLA, or his vehicle with negative results. I then placed a pretext telephone call to his residence, 946-9574, at approximately 4:15 P.M., and asked a woman who answered if "Phil" was in. She replied that he was, and I asked her if I could speak with him. She concurred, and apparently put the receiver down in order to get PRIOLA to the telephone. I disconnected the call at this time.

We then returned to PRIOLA'S residence at approximately 4:15 P.M. There were no cars in the drive, however, there appeared to be cars parked in the garage to the rear of the residence. The doors were closed, however, the roofs of the vehicles were visible through the windows, no color distinction could be made. No further checks were made at this time.

This investigation is continuing and all future developments will be submitted in supplemental reports.

Synopsis: Illinois Bureau of Investigation (IBI) conducting investigation of subject to determine if he falsified employment application relative to criminal convictions. Subject may be acting Capodecina of Rockford, Illinois ICN Family.

-P-

DETAILS:

On October 21, 1971, [redacted] Illinois Bureau of Investigation (IBI), Chicago, Illinois, advised that his agency is conducting investigation to determine if PHILIP PRIOLA falsified his employment application relative to criminal convictions. He said this matter had been referred to the IBI by Special Attorney [redacted] U.S. Department of Justice, Chicago, on the basis of information developed by the Federal Bureau of Investigation (FBI) that PRIOLA is a convicted felon who is operating as an armed conservationist in Rock Cut State Park, Rockford, Illinois. Mr. [redacted] said there is a Department of Personnel Employment Application and one Non-Civil Service Application, both in the name of PHILIP PRIOLA. Both applications have a question, "Have you ever been arrested for other than minor traffic violations?" and both applications are marked "No" in response to this question. Their Department of Personnel Application was not signed by PRIOLA. The Non-Civil Service Application, signed by PRIOLA and [redacted]

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

CG 92-1706

dated April 29, no year given, indicated PRIOLA was employed as maintenance laborer at Rock Cut State Park. The two individuals who apparently recommended PRIOLA for the job are indicated as [redacted] and [redacted]. It should be noted [redacted] is Clerk of Court for Circuit Court at Winnebago County, Rockford, Illinois, and [redacted] is Ranger in Charge at Rock Cut State Park.

b6
b7C

Mr. [redacted] stated his investigation to date reflects felony convictions for PRIOLA based upon fingerprint comparisons and his FBI record. He said he has been advised by Rockford Police Department personnel that they are allegedly persons who have observed PRIOLA employed in the capacity of Armed Guard at Rock Cut State Park, and Mr. [redacted] attempting to obtain affidavits from the individuals who have observed this.

On September 30, 1971, Sergeant [redacted] Rockford, Illinois Police Department, stated he had learned from a Police Department source that PRIOLA had taken over as Capodecina of the Rockford La Cosa Nostra (LCN) in place of CHARLIE VINCE who recently began serving a two year sentence.

b6
b7C

CG T-1 stated he has received no specific information that PRIOLA had taken over VINCE's position on either a temporary or permanent basis, but informant felt PRIOLA would be logically next in line to proceed, and it would be normal procedure for him to take over this position even if on an informal basis.

Synopsis: State authorities unable to sustain prosecution against subject for furnishing false information. He continues to be employed by State Bureau of Conservation.

DETAILS:Employment

On April 4, 1972, [redacted] Special Agent (SA), Illinois Bureau of Investigation, advised that his Bureau had completed its investigation regarding false information furnished by PRIOLA on his application of employment to the State Bureau of Conservation.

b6
b7C

SA [redacted] stated that he could not obtain authority for prosecution against PRIOLA for PRIOLA's failure to furnish accurate criminal conviction data. He said in order to sustain prosecution it would be necessary that PRIOLA had been convicted of a felony. He said a review of court records reflect that although the Federal indictment against PRIOLA for violation of alcoholic tax laws was for a felony, PRIOLA entered a plea of guilty and it was accepted as a misdemeanor.

CG 92-1706

SA [redacted] said in all probability, however, PULLMAN would be discharged from his job at Rock Cut State Park, Rockford, Illinois.

b6
b7C

He said he had conducted photographic surveillances of PULLMAN but they reflected poor results and PULLMAN was not readily identifiable from the photographs.

In June 20, 1972, CG T-1 stated that PULLMAN continues to be employed at Rock Cut State Park.

[redacted] b7D

In discussing members of the Rockford LCN family informant stated EMORDENO had been what he would consider, a real tough guy in his day. He said [redacted] and [redacted] [redacted] were also very tough individuals and always were together. He said [redacted] was perhaps the toughest of them all but one day, for reasons unknown to informant [redacted] started staying away "from our people" and finally let it known that he wanted no more to do "with us." Informant stated JOE ZAMMUTO felt since [redacted] was getting old anyway that it was alright if he "wanted out." He said [redacted] "hung on for a while" but finally had almost nothing to do with the "family" and since [redacted] moved to Denver no one hears from him "unless [redacted] does."

b6
b7C

Informant stated there is no outfit handbook currently operating at Rockford, Illinois. He said JOE ZAMMUTO has insisted that he wants no more trouble with the law. He said ZAMMUTO has come to think of himself as a respectable man and does not want the notoriety since it will hurt his sons and daughters reputations in the community. He said ZAMMUTO has all the money he wants and does not need anything else.

Source said if ZAMMUTO steps down from his position as Capo there is no doubt that FRANK BUSCEMI will take over. He said he personally feels that BUSCEMI is making so much money in his vending machine business that unless BUSCEMI takes over within the next year or so he will consider he has enough money that he will want to avoid trouble.

He said PRIOLA has enough to get by on and is too old to be really tough anymore.

He said JOE ZITO has more then enough money and more then enough problems at the present time.

He said JOE MAGGIO, FRANK CORRENTI, KNOBBY GULOTTA, and CHARLIE VINCE would go for any action they could get and he would expect that if BUSCEMI becomes the Capo they will get their chance for some action.

[redacted]

He said VINCE had recently been on furlough from the US Penitentiary, Sandstone, Minnesota, to attend his mother-in-law's funeral. He said VINCE appeared to be in good condition and health and stated he expects to be released from the penitentiary in 1/73.

b6
b7C
b7D

Informant was asked for background on KNOBBY GULOTTA and he said GULOTTA was discharged from the Marine Corps in the early 1950s and immediately went to work for TONY MUSSO who was the Rockford family Capo until his death in 1958. He said working under PETE PETERSON, a known Italian, who is now deceased, GULOTTA operated a handbook for MUSSO and also ran card and dice games for him. He said MUSSO and PETERSON died within a short time of each other and PHIL EMORDENO took over PETERSON's book but did not have the "moxie" to make it go.

He said GULOTTA operated a handbook on his own for the family in the late 1960s. He said he had bets being written for him at the Wyman Buffet operated by [redacted], by a bartender at the Flamingo Restaurant, both Rockford, Illinois; at Don's Barber Shop next to Vic's Tavern in Loves Park, Illinois; and perhaps several others.

He said [redacted] was working for [redacted] at the time her horse book was raided by the Rockford Police Department.

He said in approximately 1968 GULOTTA had a niece who was working for a Doctor [redacted] in Rockford, Illinois, and who was making advances toward her. [redacted] had told her if she resisted his advances he would fire her and black ball her in the other doctors offices in Rockford so she would not be able to obtain other employment.

b6
b7C

The niece came to GULOTTA and GULOTTA went to [redacted] to "work it out." [redacted] became insulting and GULOTTA called a council meeting at the Aragona Club in Rockford. He said JOE ZITO, as the Rockford Family Council Consieglieri sat at the head of the council and LORENZO BUTTICE (deceased), as Capodecima was also in attendance. He said when GULOTTA told his story, ZITO attempted to pass it off lightly stating that [redacted] had

meant no harm and because of his position in the community he was entitled to a certain degree of respect from GULOTTA. Source said BUTTICE took GULOTTA's position and stated when [redacted] insulted GULOTTA he insulted you (meaning ZITO), me (meaning BUTTICE), and every member of our "family." Source said when BUTTICE made this statement ZITO was forced to agree that it was a correct statement of there code of honor and [redacted] who was visibly shaken by BUTTICE's position, apologized to GULOTTA.

Source said this ended the difficulty and no further action was taken.

In reply to an inquiry from the Springfield Division, b6 b7C source advised that [redacted] is unknown to him. He said if [redacted] is a member of the Chicago family he is not aware of it. He said the family in Springfield is almost non-existent at the present time and consists of "a couple of old timers." He said there is "no action in Springfield," that is "mafia controlled" by the Springfield family anymore. He said the same is true of Madison, Wisconsin. He said there is very little action on the part of the Milwaukee family although FRANK BALISTRIERI has recently been released from the penitentiary and is currently in Milwaukee.

He said he has no personal knowledge of Kansas City and Dallas. He said although there is "mafia control" in Tampa, this is almost a one man operation.

He said in his opinion the outfit hot spots at the present time are Chicago, New York, and New Orleans. He was asked if he would estimate the current membership of the Chicago outfit and he estimated it at 175 members.

He was asked if JOE ZITO has any continuous contact with FRANK ZITO at Springfield, Illinois.

He replied that he did not know but would assume that they do have since they are brothers and they are on friendly terms.

[redacted] b7D

He was asked if he was aware of any gambling outside of the Rockford area at the present time.

He said that it is his understanding that an individual in Debuque, Iowa, known to him as [redacted] has a game in his residence on Tuesday and Sunday evenings and these games last all night. Democrats take joy in mending fences

By JAN ERKERT

R O C K T O N — Winnebago County Democrats made a Fun Day out of mending their inter-party fences Friday.

And the man responsible for the most recent splits, gubernatorial candidate Dan Walker, was there at the Macktown Forest Preserve administering his familiar brand of hand-shaking, down-home therapy.

Walker drew strong applause when he promised to "continue to use Paul Simon in state politics" if he (Walker) is elected governor in November.

Many of the Fun Day celebrants campaigned for Simon who lost the primary to Walker this spring.

When asked how he and other former Simon followers feel about Walker, Phil Priola Jr., 1232 Roxbury Close, said, "He's a Democrat, so we'll support him."

"Admittedly some top Democrats still seem to be supporting Simon. But come election day, the party will be united," Priola predicted.

In an unsuccessful attempt to transform the Fun Day into a town meeting forum, Peter Peterson, calling himself an "independent voter and a Democrat," asked Walker a few questions at the close of the gubernatorial candidate's address.

"There are many retired people in Rockford, and before we vote, we want to know how you (Walker) stand on the lottery and bingo," Peterson said.

Walker replied, "I will let the legislation legalizing bingo stand."

He avoided opening local wounds over a state lottery bill which was killed in the House a few weeks ago. Rep. E. J. (Zeke) Giorgi, D-Rockford, introduced that legislation which Walker opposes.

Friday's was the first Democratic Fun Day including all the beer drinking, back slapping, hand shaking and hard talking.

"We're known as a violent party, and that's why we need to

have more things like Fun Days. That way we can mend our sores," Priola said. "There are factions here from within the party who have never even met each other before."

DETAILS:

On September 19, 1972, [redacted] Special Agent, Illinois Bureau of Investigation (IBI) advised that PHILIP PRIOLA is no longer employed at Rock Cut State Park, having been dismissed by the State Bureau of Conservation. [redacted] stated this was as a direct result of IBI intervention based upon that Bureau's knowledge of PRIOLA as an organized crime figure.

b6
b7C

On September 29, 1972, CG T-1 named PHILIP PRIOLA as a member of the Rockford La Cosa Nostra (LCN) Family and stated PRIOLA would not be in consideration as a replacement for JOE ZAMMUTO, boss of the Rockford Family at such time as ZAMMUTO might die or retire. He said PRIOLA himself has enough money to get by on and is getting too old to be considered by the membership as a "tough guy" any more.

On July 1, 1972, the Morning Star, Rockford, Illinois, on page A 3 carried a feature article regarding a "Fun Day" political rally by the Winnebago County's Democratic organization. The declared purpose was to mend recent splits in the Democratic Party ~~in the State of Illinois~~ which had resulted from the campaigns for the Gubernatorial nominations.

When asked how he and other former followers felt about Rockford, Illinois said "He's a Democrat, so we'll support him. Admittedly some top Democrats still seem to be supporting but come election day, the party will be united".

On 3/2/73, source said Phil Caltagrone was a "great guy." Musso made him acting boss while Musso was in prison in the 1930s. Before Musso died in 1958 he designated Phil Priola as his successor. This was to spite Joe Zito, whom Musso had a falling out with.

When Maggio went to Fla in the 1970-71 winter it was to hustle the charter boats out of Tampa & not the tourist boats going to the Bahamas. They made expense money and that was about all.

to keep the Family alive and when the others voted to disband it was agreed these two would "throw in" with the Milwaukee Family. Informant said since VINCE is the Capodecima of the Rockford LCN Family, the members present took his statement as one of fact and not gossip.

Informant said that the information that [redacted] was one of those who transferred to the Milwaukee Family is purely conjecture on informant's part. He said he is personally acquainted with Madison members CARLO CAPUTO, who had been boss; [redacted], who presently operates Bee's Tavern, Madison, Wisconsin; and [redacted] (LNU). He said after VINCE advised the above members of the Madison situation, they discussed the possibility of a similar dissolution of the Rockford LCN Family, and VINCE spoke out his adamant opposition to such action.

PHILIP JOSEPH PRIOLA

Criminal History

PHILIP JOSEPH PRIOLA, an LCN member of the Rockford, Illinois "family", was born in Chicago, Illinois. A delayed certificate of birth under certificate number 202702, was filed on November 4, 1942 at the Bureau of Vital Statistics, Chicago, Illinois. His birth date is reflected as April 11, 1907.

Chicago files reflect PRIOLA was arrested in Fort Dodge, Iowa on February 2, 1932 for carrying concealed weapons, i.e. a Luger 9 millemeter and two clips of cartridges.

PRIOLA was arrested on November 2, 1931 at Fort Dodge, Iowa for violation of National Prohibition Act, and on November 13, 1931 he entered a plea of guilty and was sentenced to 60 days in jail.

FBI/DOJ	

PRIOLA was arrested June 20, 1934 by the Madison, Wisconsin Police Department and was received at the House of Correction, Milwaukee, Wisconsin on February 11, 1935 from the United States District Court at Madison, Wisconsin. Disposition was shown as \$500 fine plus six months. On March 22, 1936, the original judgment was set aside and PRIOLA was released and placed on probation for one year.

On July 11, 1934, PRIOLA was arrested by the Rockford, Illinois Police Department on a kidnaping and extortion charge under the name of PHILIP PALMERO, which charge was subsequently dropped.

On July 14, 1939, PRIOLA was arrested at Chicago, Illinois, for operating an illegal still with no disposition noted.

PRIOLA, in 1942, was sentenced to three years probation for an Internal Revenue Service violation.

In August, 1964, [redacted] identified PRIOLA as a member of the Rockford, Illinois LCN "family".

On May 4, 1966, above informant stated that TONY MUSSO was the "boss" of the Rockford "family" for many years until his death in 1958. MUSSO was PRIOLA's sponsor for admission to this family. MUSSO named PRIOLA as his successor, but upon MUSSO's death, the Rockford members rejected PRIOLA and selected JOE ZAMMUTO. PRIOLA's rejection was based on the fact that PRIOLA had only recently returned to Rockford, and prior to this had spent most of his time in Chicago.

b6
b7C
b7D

On May 18, 1965, [redacted] advised PRIOLA attempted to meet with PETER BALISTRERI, Milwaukee, Wisconsin LCN figure.

On May 11, 1965, [redacted] advised that PHILIP PRIOLA told him that [redacted] (phonetic) is a member of the LCN "family" in Pueblo, Colorado, and through [redacted] PRIOLA lined up a job for his nephew as a dealer at one of the gambling joints in Las Vegas, Nevada.

On September 7, 1965 [redacted] advised PRIOLA attended a party in Milwaukee, Wisconsin put on by FRANK PETER BALISTRERI, the alleged boss of the LCN "family" in Milwaukee, Wisconsin.

On November 18, 1968, [redacted] advised that PHILIP JOSEPH PRIOLA is a member of the LCN, Rockford, Illinois.

[redacted]

b3

[redacted] on July 3, 1966, advised that the Rockford LCN "family" put on a party for the Supervisor of District #1, Illinois State Police, in the early part of 1966 at the Town and Country Motel, Rockford, Illinois, which motel is owned by PRIOLA. Girls for this party were furnished by a local pimp. According to source, the "family" was planning to bring in a policy wheel to operate in Rockford, and the party was designed to aid in police protection for the wheel.

On September 6, 1970, a Rockford police officer advised that in an interview with PRIOLA, PRIOLA stated he was employed as an armed guard at Pierce Lake State Park, Rockford, Illinois.

b7D

Subsequent investigation determined that PRIOLA, on his employment application, stated he never had been convicted. The Illinois Bureau of Investigation conducted an investigation into this matter and on April 4, 1972 advised, due to a technicality, they could not prosecute PRIOLA for furnishing false information on his application.

On June 12, 1971 [redacted] stated he was in contact with PRIOLA. PRIOLA said he was amazed that the FBI was familiar with everyone in the Rockford "family", and was able to subpoena exactly the people that they knew to be in the "family" before a Federal Grand Jury in Freeport, Illinois, held about one year prior to this conversation. PRIOLA stated it was his feeling that JOE ZITO, a Rockford LCN member, was responsible because he, ZITO, had been too friendly with some members of the Rockford Sheriff's department, who probably furnished this information to the Federal authorities.

On October 7, 1971, [redacted] stated he felt PRIOLA would logically be next in line to succeed CHARLES VINCE as "boss" of the LCN "family" in Rockford, Illinois. VINCE recently began serving a two year prison sentence on an ITAR extortion charge.

On September 29, 1972, [redacted] stated that PRIOLA is still a Rockford LCN member. However, he was too old to be really active anymore.

b7D

As of September 19, 1972, PRIOLA had been dismissed from his position as a park guard with the State Bureau of Conservation.

On October 15, 1973, [redacted] and on October 6, 1973, [redacted] were contacted and they both advised PRIOLA was very inactive in the Rockford LCN "family" and is seen only occasionally by other members.

On August 1, 1974, PRIOLA was interviewed and stated he was closely associated with [redacted]. He stated there was no such thing as the "Mafia" in Rockford, Illinois and it makes him laugh whenever he hears of this.

b6
b7C
b7D

In regard to PRIOLA's kidnaping charge, in further interviews with [redacted] from August 31, 1965, and FBI investigation, the following more specific details were obtained:

FRED DE PHILLIPI of Spring Valley, Illinois, was kidnaped on December 9, 1932. Ransom payments of \$50,000 were made through the mail. DE PHILLIPI was later released. The place where DE PHILLIPI was held captive, was never determined, but indications are that he was held at either Rockford, Illinois, or somewhere in Wisconsin. No interstate transportation could be established and the matter was handled by the Post Office.

On March 28, 1933, 12 individuals and PRIOLA, under the name of PHIL PALMERO, were indicted at Peoria, Illinois.

Six individuals were convicted, two were acquitted, and the indictment against two others was dismissed, since they testified for the Government. The indictment against PALMERO, who was a fugitive at the time of the trial of the other defendants, was also dismissed, inasmuch as DE PHILLIPI subsequently was killed in an automobile accident and the evidence against PALMERO was insufficient to go to trial.
